Did you know that most college students take at least one online course? Did you also know that many companies use online courses to train their employees? **Get connected to 21st century learning** by taking an online course through the Texas Virtual School Network. Through an online course, develop and use technology skills that have become a requirement for advanced education or today's world of work. Connect to the TxVSN website at www.txvsn.org or ask your Counselor for more information!
